The above-listed equipment, together with all attachments, accessions, accessories, fittings, increases, tools, parts, repairs, supplies, additions, replacements of and substitutions for all or any part of the foregoing equipment is collectively referred to as the "Equipment."

The above Equipment Schedule correctly describes the financed Equipment as verified by the Customer, who acknowledges and confirms receipt in the Delivery & Acceptance Certification for this Finance Agreement.

*We get the job done!*

Customer acknowledges and agrees this Addendum is incorporated into and made an indispensable part of the above-referenced Finance Agreement between Customer and Lender. This Addendum may be executed with electronic signatures, and any copy, duplicate, or facsimile shall constitute an original and can be used as admissible evidence.
